

RELEASE NOTES

April 2015 Release Notes

April updates include:

- **Castlight Mobile**
- **Home page redesign**

Castlight Mobile

In May, Castlight will ship its next-generation mobile application. Designed to support Castlight's suite of products, the app will allow users to enjoy functionality on their phones similar to that of their computers.

- Complete app redesign and improved user experience
- Improved support of other Castlight products, such as Action, Protect, and Rewards
- The mobile app is scheduled to ship in early May

Home page redesign

Coming in June, Castlight will unveil its refreshed homepage to all customers and users. The new homepage will simplify users' interaction with Castlight and lay the foundation for a more personalized user experience as we continue to innovate.
