

Better Together

Drive meaningful, sustained engagement in the right programs with deeply personalized experiences

Progyny is a leading fertility and family building benefits solution for self and fully insured organizations, serving populations in the US, Canada and globally. Progyny's comprehensive and equitable benefit includes access to a large, actively-managed network of top fertility specialists, dedicated concierge patient support, integrated pharmacy, and wrap-around technology connecting the entire benefit, including an ability to report on actual outcomes. All together, Progyny generates life-changing outcomes for its 4M members and savings for over 265 employer clients. Progyny completed its initial public offering in 2019 and trades on Nasdaq under the ticker PGNY.
